email: info@treloancoastalolidays.co.uk

In the Annexe: 'Re-Dress' led by Lynne Devey
(www.re-dress.org.uk)

Have you got clothes that you love, cannot bear to throw out but do not wear anymore? **Would you** like to learn how to make them into new unique garments that cannot be replicated anywhere else on the planet? **If the answer is 'yes'** then here is your chance:

Zac before... and after

No previous sewing experience is needed, just a willingness to have fun and be creative (whilst eating cake and having conversations!). Places are limited so book early - ring Debs at Treloan on the number above.

"Bringing it Home: Climate Change and Roseland's Landscapes" – your chance to participate in new research on Roseland's futurescapes with Prof Catherine Brace and Dr Hilary Geoghegan from University of Exeter, Cornwall (<http://climatetolandscape.wordpress.com>)

Have a go at using a peg loom (constructed by Greg Humphries from local willow) to make a fleece blanket. **Add to Greg's artwork** 'Patience and Perseverance' (from fleece to spin to knit) Falmouths Stitch & Bitch group will be there spinning and knitting.

Make a strong shopper from recycled carrier bags with Zoe

Learn to knit and crochet or just bring along whatever you're making at the moment for a convivial 'make, do and meet'

'discovering what's on our doorstep'
