Hooray .. the suns come out! & we're gonna have a party and see what culinary delights we can come up using locally sourced ingredients. *At a recent talk in the village by Manda Brookman (Director of COAST – Cornwall Sustainable Tourism) we heard that "a 10% increase in local produce bought by the hotels and catering industry across the region would generate £45m and 2000 jobs" Cornwall Taste of the West.*

The challenge is on to raise the stakes – how about 100% local produce?

😊 support local producers and local shops 😊

guess who?

**Check the project field at Treloan over the next couple of days
As there's charcoal making & raft building in progress, come join in if you like**
